Unit – 5 The Baby Elephant

INTRODUCTION

The story 'The Baby Elephant' tells the dissatisfaction of a baby elephant. He worries about his figures. His friends console him in many ways. Yet he is sad. A fairy appears to make him happy. She asks him about his wish. He wants to become a bird. The fairy grants his wish. But he faces many problems. Several times she grants his wish to change him into many other creatures. And finally he understands that his own appearance is the best one. His friends join him again.

LEARNING OUTCOMES:-

- Develops idea about the importance of friendship.
- Understands that everyone has merits of their own.
- Comprehends simple stories and poems.
- Develops vocabulary related to body parts of animals and birds.
- Describes an action using appropriate verbs.
- Responds meaningfully in the targeted language.

Name of the Student: Worksheet- 9

Baby elephant is happy now. He calls his friends to play with him. Read and enjoy the rhyme.

Oh! My friends

Chinky, Pinky, Dumpky

Come let's play

Chinky, Pinky, Dumpky

Chinky my sweetest

The king of forest

Pinky the beauty

Jump from tree to tree

Dumpky with the longest neck

Who likes to eat grass?

Oh! I am happy

All my friends are with me now.
